

Space City Sisters – Call with Co-MoMs

10/18/2018

Present: Candice B Love, Sneakin', Kitty Lickentwat, Gin Tervention, Jeff
Communication w/ prospective members is a 2 way street. We have now created the fb group to keep abreast of coming events, but they need to make an effort to communicate with us. Meetings & events are open. Anyone can show up.

Don't forget: Drag Queen Story Time is Saturday, Oct 27, 2018.

WHAT IS THE ASPIRANT PROCESS?

Drawn from other Houses' info, esp. San Francisco: 2 months minimum as aspirant, no face. Then we vote ("why do you want to be a Sister?"). 4 months postulant-solid whiteface. 6 months novice--white face w/ color & veil, plan novice project.

When House elevates, founding sisters elevate automatically. If anyone joins NOW, do they elevate to fully professed as well? Question for co-moms

MISSION STATEMENT

language about "joining" or "pulling" together. Unification. Community service.

FAEGALA & UNITY JOIN ON CALL

Faegala is popping her buttons.

Where in the process are we? Unity says read the Aspirant Primer, and eventually Mission 101. Group meet w/ co-moms once every 3 months. 2 or 3 meet w/ co-moms once every month. Co-moms available to talk/text/fb message/skype whenever for all members.

--Manifest (done!)

--paperwork getting done: mission statement, articles of confederation, bylaws (done!)

--art activism: theatricality, humor, how do we play off each other? how do we talk & interact w/ the community? let's get weird. FUN cLoWnInGaRoUnD silliness. Joy!.

Satire.

What is the line of what we can & can't do, re: politics? Co-moms: we do not comment on specific politicians or parties. We can't spend the majority of our time & resources on lobbying. We can weigh in on germane issues. We can talk about issues. There's a lot of grey areas & leeway federally regarding IRS, but we should look @ Texas specific laws.

New member process: Hang out, come out, & join us to see if it's a good fit ("aspirant" is now the term, but it was a one-off term invented by Unity that caught on)

--Postulant: they can do the makup but we're checking them out

--Novice: start doing the work and plan an event

IN 3 MONTH PERIOD- 2 meetings & 3 events, not including bar night (bar night can be 1 event). If you can't make it b/c of scheduled work or whatever, we understand & can make it work. But there needs to be a commitment to the work.

Checklist

--Do you have a cohesive look? A coronet, common markers, etc? (rainbow colors & feathers count, so check)

--Events (check), Minutes (check), Pictures (check), resume

--Website is resume (we have domain name, just need to build the site)

--Kazoos & crisco tubs

--Logo (check)

Application for mission status Dec 1 possibly.

rubber: chickens, pickles, penises

mylar confetti works for large group events on stage in place of glitter.

We should go to Los Angeles sometime soon. Project Nunway in January. DragCon?

Unity has a Unity puppet so he can stick his fist up his own ass.

Right now, aspirants need 2 meetings & 3 events and then we vote. they become a novice like the rest of us. if they've been aspirant for 1.5 months by Dec 1, we make them novices @ NYE event.

BAR NIGHT

Kato has test tubes. we need a turkey baster. Vodka or rum. goldfish. Chip will pick a flavor. DOLLAR INDULGENCES. GLITTER SMUDGING.

Condom ministry--condoms & lube packets are in the Montrose Forge. Kato is working on biz cards.
