WE GOT MISSION STATUS!!!!!!!

we need to read Mission 101, nametags, business cards, condoms (ECN, swiss navy, Harris Co Dept of Health)

Bylaws & articles are for 501c3 (federal level) and non-profit (state level). PnP's are for elevation.

Bylaws and articles are MUCH harder to change--bylaws are broad and general; PnP's can be changed and are just for us how we run the house and interact with the community.

we need another bar night or two, maybe file bylaws in February (we need \$500 ish to file).

AIDS WALK: let's get a team to raise \$ which allows us to move around and talk to people more if we are walking & participating. Chip is contacting the right people.

Shamu says at minimum we register for non-profit status in texas and we can do fundraisers at Hamburger Mary's...maybe late Jan/early feb if we get things done by then.

Novice project idea: traveling kissing booth? Mono 4 All!

Painting or Printing our colors? Painting will last longer & look better

Habit: Postulant-full face, short grey veil, no feathers; Postulant Guard-face, no hat?

COMING OUT PARTY!!!

invites: before bar night, do a bar crawl, "Stations of the Cross-dresser"

snacks-Robert volunteers

Brunch the next day: Brazil, Hamburger Mary's, El Real. Brunch @ 10?

Coronation weekend is the same weekend @ Sheraton 610/290. \$55 per person, we can see if we can get a group discount & volunteer

Prego jar stemware for 4th City Sisters

We need a call w/ Faegala & Unity.

Novice projects: 6 projects. how many can we combine into a meta/mega event? (trans pride event?)
